SUBJECT : REFERENCE LETTER

To whomsoever it may concern

We are happy to let you all know that M/s Gauranga Infotech Private Limited is our OEM vendor for our product development activities working in the area of Hardware development, Firmware Development, GUI development in all platforms (Windows, Linux, MAC), iPhone based application development etc. for all our Avionics based product series and also Industrial Automation & Machine Automation Projects. They are also working for our group companies viz. AveoEngineering, GreenairEngineering for the product development. M/s Gauranga Infotech have been associated with us for the past 2 years and have become integral part of our team working with the systems which are key for our businesses. During our working with them we found them technically competent, sincere, committed, innovative, sensitive to the requirements and highly cooperative. Currently they are working with us on few mission critical projects viz. DigitalFliteDeck product series. We would be happy to recommend them for any corporate who would like to build their products both in the area of Emebdded Systems, Automation, Application Development and IT processes using latest technology. We wish them good luck for their bright future.

Yours faithfully
