

TO WHOMSOEVER IT MAY CONCERN

March 25 2015

This is to certify that M/s Gauranga Soft-Tech Private Limited had been associated with us at Tata Power for the past 10 years. They have successfully executed various projects and have been providing continuous support for those projects. The solutions that they have implemented in Tata Power are fully functional and being currently in use. They have been working with our IT department, Hydro division, Wind Power division, Generation division etc.

We from the Automation Engineering department would like to acknowledge that the following are few important projects that have been implemented by them over the last few years:

1. Automated Energy Monitoring System integrated with OSI Soft PI Package
2. Operational Performance Monitoring System – including mobile apps to access the system
3. Integrated Report Generation System integrated with OSI SCADA
4. Data Acquisition System with Multiplexer hardware integrated with Honeywell, BHEL, Invensys Package - Unit 6 & Unit 7 of Trombay
5. Electronics Log book for Unit 5, 6, 7 and 8 of Trombay

We are happy to recommend them for any organization to avail their services. We wish them good luck.

  
Sachin S. Gurao  
Group Head - Automation Engineering
